Honouring Life

## Grant and Sponsorship Guidelines

Massey Bros. has a long tradition of supporting the communities in which it has a presence. As part of our commitment to *Honouring Life*, we award grant funding to community organisations that help people in need, provide opportunities for the marginalised, offer friendship to the lonely and isolated and deliver essential services not funded by the government. We also sponsor a wide range of community-based events and initiatives.

### Our funding/sponsorship priorities:

Our current funding and sponsorship priorities are as follows:

- **Mental Health and Suicide.**
- **Bereavement and Loss.**
- **Homelessness.**
- **Sport in the community.**
- **Education** (particularly literacy and numeracy).
- **Healthcare** (particularly end-of-life and palliative care and the delivery of services to vulnerable groups not eligible for government/HSE funding).
- **The Arts** (in particular music, e.g. community choirs, orchestras and dance groups).
- **The Elderly** (in particular, combating loneliness and isolation, elder abuse and promoting positive ageing).
- **Young People** (particularly those from 'at risk' communities).
